### About the Camp

Students from any district are welcome to attend. The only eligibility requirement is completion of the third grade. Students will be placed in one of three levels:

**Intermediate:** 1-3 years experience on selected instrument (or similar ability)

**Advanced:** 4 or more years experience on selected instrument (or similar ability)

(All lesson and rehearsal placements are at the discretion of the directors of each group. Students will be placed into the lesson and rehearsal groups where they will be most successful based on ability and amount of experience on their instruments.)

### Daily Schedule

Each day, students will receive a **45-minute small group lesson**, grouped by instrument and ability, taught by a specialist on that instrument. Students will also participate in a daily **45 minute band rehearsal** directed by an instructor experienced in working with that particular age group. In addition, students will participate in **two elective courses** of their choice.

\*\*Beginner students will be required to enroll in Music Theory I to build a strong foundation to help them become successful on their choice of instruments. As a result beginner students will only be able to register for **one elective course**.\*\*
